101 Pleasant Street, Concord, NH 03301-3852
Telephone: (603) 271-2778

Remember to set the ESS entry year to 2020-21 before beginning.

Teacher Salary Schedule

Please complete one survey for each district in your SAU that operates schools.

Using the categories in the form, please enter the district's salary schedule by reporting the Minimum, Maximum, and Steps for these categories. If categories do not match your schedule exactly, please use your judgment to report the schedule as closely as possible. At a minimum, please enter data for the categories that do fit exactly (Bachelor's, Master's, etc.).

Use the check boxes to report the appropriate status of the schedule for next year, 2020-2021. When the data is complete, please certify on the "Form Home" page.

PLEASE NOTE: A "General User" in myNHDOE may certify this report (no need for the Superintendent to do it) and you do NOT need to send in a signed report to the Department.

Please email [ESS Helpdesk](#) if your district(s) cannot comply with the due date, or if you have any questions on completing the survey.
